(FACETYPE) FACETYPE FONTS – END USER LICENSE AGREEMENT

ACKNOWLEDGEMENT.

IMPORTANT NOTICE: FACETYPE IS WILLING TO LICENSE THE LICENSED PRODUCT TO LICENSEE ONLY ON THE CONDITION THAT LICENSEE ACCEPTS THE TERMS AND CONDITIONS CONTAINED IN THIS AGREEMENT. BY PLACING AN ORDER FOR AND ACCEPTING FACETYPE FONT SOFTWARE (ELECTRONIC DATA), OR BY DOWNLOADING THE SOFTWARE AND CLICKING THE "I ACCEPT" BUTTON (OR SIMILAR ONLINE ACCEPTANCE MECHANISM) ACCOMPANYING THIS LICENSE, LICENSEE ACKNOWLEDGES THAT IT HAS READ ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, UNDERSTANDS THEM, AND AGREES TO BE BOUND BY THEM. IF LICENSEE DOES NOT AGREE TO THESE TERMS AND CONDITIONS, LICENSEE MUST PROMPTLY CEASE DOWNLOAD OR DELIVERY OR USE OF THE LICENSED PRODUCT AND RETURN THE LICENSED PRODUCT AND ALL ACCOMPANYING ITEMS, IF ANY, TO FACETYPE OR ITS RESELLER FOR A FULL REFUND OF THE LICENSE FEE WHICH LICENSEE PAID FOR THE LICENSED PRODUCT, AND LICENSEE MUST IMMEDIATELY DELETE ANY PORTION OF THE FONT SOFTWARE INSTALLED ON LICENSEE'S COMPUTER(S).

1. GRANT OF LICENSE

In consideration of payment of the license fee, included in the price paid by the Licensee for this product, the Licensor grants to the Licensee a non-exclusive right to use this product, which consists of electronic data to display and output PostScript®, TrueType® or OpenType® typefaces. This electronic data may be installed on up to five (5) CPUs. If you are using this product with more than five (5) CPUs, you are required to obtain a Multi-User License for the appropriate number of CPUs/Users. (See Multi-User Licenses section below). The terms of this Agreement are contractual in nature and not mere recitations. When you order fonts through e.com, you are able to purchase your Multi-User License(s) at the same time. 1 (a). License Extensions. You are able to add additional Multi-User Licenses for the same font products for a period of three (3) years from the date of your original purchase. 1 (b). Multi-User Licenses

FaceType calculates Multi-User Licenses based on the chart below. The price FaceType charges you will be calculated based on the Recommended End User Price times the number of CPUs or Users, (whichever is the greater). The maximum number of CPUs licensed is equal to the number of users selected in the applicable receipt. Please retain this receipt as proof.

2. OWNERSHIP.

FaceType retains intellectual property rights, title and ownership of any of its electronic data provided. This title and ownership extends to copies of the data installed on any computer, downloaded to any output device, or retained on other media by the Licensee as a backup. This license does not constitute an exclusive sale of the original product to the Licensee. This Agreement does not grant you any right to patents, copyrights, trade secrets, trade names, trademarks (whether registered or unregistered), or any other rights, franchises or licenses in respect of the electronic data. No rights are granted to you other than a License to use the electronic data on the terms expressly set forth in this Agreement. The Licensee further acknowledges and agrees that the structure, organisation and code of the font software are valuable trade secrets and confidential information of FaceType. The font software is protected by copyright including without limitation, by United Kingdom, and United States Copyright Law, international treaty provisions, and applicable laws in the jurisdiction of use.

3. COPY RESTRICTIONS.

This product is copyrighted and contains proprietary information and trade secrets of FaceType. Unauthorised copying of this product is expressly forbidden. You are permitted to create backups of the font software, provided that: (a) they are stored only at the site where this

product is licensed, and (b) the full copyright information is included with each backup copy. You may be held legally responsible for any infringement of FaceType's intellectual property rights that is caused or encouraged by your failure to abide by the terms of this Agreement.

4. PERMITTED USES.

This product is licensed only to the Licensee, and may not be transferred to any third party at any time without the prior written consent of FaceType. You may not modify, translate, adapt, alter, decompile, disassemble, decrypt, reverse engineer, change or alter the embedding bits, the font name, legal notices contained in the font software, nor seek to discover the source code of the font data, convert into another font format, create bitmaps, add or subtract any glyphs, symbols or accents, or any other derivative works based on the electronic data in this product. Licensee may not supply, directly or indirectly, any FaceType font data to any other firm, business or individual for any type of modifications or updates whatsoever. If the Licensee needs to modify or update the font data in anyway in the future, FaceType (Licensor) solely will perform and invoice this additional work at its normal prevailing rates. You may not duplicate, modify, adapt, translate or create derivative works based on the printed materials that may have been supplied with this product.

It is a breach of this license agreement to use the product in any way that infringes the rights of any third party under copyright, trademark, patent or any other laws. In the event of infringing uses by Licensee, this license immediately terminates and Licensee is solely responsible for any such infringing uses including all legal and other damages that may be incurred.

EMBEDDING RESTRICTIONS

PDF embedding of the font software into PDF documents is only permitted in a secured read-only mode that allows only printing and viewing, and prohibits editing, selecting, enhancing or modifying the text. Licensee must ensure that recipients of PDF documents cannot extract the FaceType font software from such PDF documents or use the embedded font software for editing purposes or for the creation of new documents. This type of embedding may only be used in a non-commercial, not-for-profit scenario. If you are unable to limit access to the document to "printing and viewing" only, then the electronic document(s) may not be used on computers that are not Licensed Computers. Examples of non-commercial, not-for-profit permitted usage include PDF documents supplied to Service Bureaus, printers, or any documents that disseminate personal, internal or business information. With the purchase of a Special Font License upgrade (see below), you may, for example, embed and subset the font software into digital for-profit commercial documents, or choose the appropriate Special Font License upgrade for a host of other uses and applications.

SPECIAL FONT LICENSING

All commercial for-profit usage requires a Special Font License upgrade and is available for the following scenarios: Web Servers, Web to Print technologies, Webfonts, editable PDFs, PDF editing software (such as uPDF), PowerPoint, Flash, Silverlight or other non-static files or situations where the font software is embedded or subset into electronic documents that permit editing, selecting, enhancing or other modification of the text. A Special Font License is also required for ePublishing, ePub, eBooks, eZines, conversion into any kind of Scalable Vector Graphics (SVG), bitmap fonts, obfuscated fonts, digital news media, subscription services, apps, ios, Android, phones, mobile devices, pagers, handheld reader devices, proprietary reader devices, MOBI, AZW, OEM Licensing, motion pictures, videos, television, DVR menus, movie

trailers and credits, acknowledgements, syndication, incorporating the font software into your hardware, software or any other products, such as application programs, interfaces, EPOS, WEPOS, POSReady, operating systems, electronics, electronic games, entertainment products, video on demand, gaming devices, kiosks, LED displays or similar mediums, automotive displays, signage, alphabet products, scrapbook products or software, adhesive or rub on lettering, embroidery machines, plotters, printers, application software for broadcast graphics, such as Avid, Chyron, Harris, Vizrt, commercial merchandising and goods for sale, (such as clothing apparel and accessories), physical goods, unique branding situations, and any and all other unique or new applications or future technologies, irrespective of operating systems or platforms. Using FaceType software without the appropriate license is expressly prohibited. All Special Font Licensing can only be approved, issued and administered directly from FaceType. If you require further information or have any questions regarding Special Font Licensing, you must contact FaceType directly: email: licensing@hypefortype.com

The entire risk of performance and quality of this product is with the Licensee. FaceType does not warrant that this product will operate with all other software products, or that it will satisfy your requirements.
