Rules

1. Items purchased are for only your use only (personal or commercial).
2. You may not sublicense, resell, share, transfer, or otherwise redistribute the item (e.g. as stock, in a tool or template, with source files (example – you can't create a pattern from background and sell it or create photoshop brushes from backgrounds)).
3. You may not make the item available on a digital asset management system, shared drive, or the like for the purposes of sharing or transferring the item, and you must not permit an end user of the end product to extract the item and use it separately from the End Product.
4. You may modify or manipulate the item, or incorporate it into other content and make a derivative work from it. (example – you can set watercolor texture as overlay on your photo and sell this as the end product)
5. The Item (background) must be addition to the end product, but not a main part of it. (examples – mixing 2 of backgrounds together as End product for sale – not allowed; Using original background without any manipulations and without additional elements (shapes, text) for cover\tshirt design, etc. and print – not allowed; Adding background as texture for flyer – allowed.)
